Healthy People

7th January 2011

Dear Mr Garivaldis

Thank you for contacting Parks Victoria to support your competition, "Our Forests, Our Lives".

As the manager of more than 4 million hectares of parks and waterways, Parks Victoria is pleased to endorse Diasporic Literature's efforts to raise awareness of the importance of forests.

Parks Victoria's *Healthy Parks, Healthy People* philosophy aligns with the United Nations declaration of the International Year of Forests 2011, celebrating the central role that people play in sustainable forest conservation and management.

We look forward to sharing the wealth of ideas generated by "Our Forests, Our Lives" with you.

Kind regards

Vicki Anderson
